My dear Miss Tarbell,-

I am taking the liberty of writing to you as I have heard that you are interested in Lincoln Memorials" I have in my possession two newspapes of the date 1865 dealing with Lincoln's funeral & assasination.

I have these to dispose of for a client. One is a copy of Frank Leslies Illustrated Weekly" dated May 6th 1865, containing an account of Lincolns assasination and illustrations. A etching

of the funeral cortege. Opens up to several feet long and the rapid also has several other illustrations.

The other paper is a copy of the New York Times dated Apr. 15th 1865 and also records in detail "Lincolns assasination". Am offering these for sale to several historical societies but will hold the offer open until I hear from you, if within a reasonable time, as I think aside from their commercial value you would appreciate them as a real collector.

Remain

Yours very sincerely
