JOHN A. WIDTSOE,
PRESIDENT
A. C. CARRINGTON,
SEC'Y TO PRESIDENT

April 6, 1917.

Miss Ida M. Tarbell,
132 East 19th Street,
New York City, N.Y.

Dear Madam:

The local press recently gave out an interview they had when you were in Ogden in which you stated that you were coming back in the near future to study the conditions in this State.

Should your Utah plans materialize, the University should be very glad not only to be of assistance to you in the work that you have in mind, but should feel very highly honored if we could secure your services at least to speak to the students and the faculty. Will you be good enough to let me know when you expect to be here and whether you can make it possible to let us have the privilege of listening to you at some of our University assemblies or on some occasion we shall be glad to arrange for you.

With best wishes, I am

Sincerely yours,

John A. Widtsøe
