Dear Miss Tarbell.-

You will be surprised at receiving this letter. (If you ever do) As you never met me but once, that was at Allegheny College graduation in 1883 which I attended as my brother Geo. C. Calder was one of the graduates and a class mate as well as a great admirer of yours I have followed your wonderful ~~for~~ career for years. And when I saw of your 80 birthday anniversary decided

to write and congratulate you. And wondered if the enclosed cards would be of any interest to you. My brother was about the same age. But passed away at 73. Was quite a successful lawyer. So wishing you many many more years of usefulness and happy years. I am sincerely your unknown admirer
