Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

Please accept my warmest thanks for your gracious autograph inscription, penned in the first volume of your Life of Lincoln. The sentiments expressed by you about Lincoln in this inscription, makes this particular copy a Book Collectors' Gem.

I hope you will keep the Herndon-Lincoln collection in mind and be successful in the plan to bring this collection to the Library of Congress.

With kindest regards, I am,

Yours respectfully,

W. A. R. 307
