Dear Miss Tarbell:

I finally got hold of Lengal and talked to him about the article and turned it over to him. I called it MOBILIZATION FOR HUMAN NEEDS as you had put no title on it and I had to have something to designate it by. But I told him this was not the final title. I explained the need for haste and he said he would read it at once. I hope we can make a sale to him.

Yours sincerely,

Paul R. Reynolds
