My dear Miss Tarbell:

I am delighted to
know that you are to be here about
the 24th and that we are to have
a chance to see you. You will be
interested to know that my program
with Hunkleday Page & Co has been
changed and that I am started on
the Lincoln - Wilson War Book. The
Baker - Pershing correspondence will
be postponed until after General
Pershing finishes his own memoirs.

Please give us a telephone call
when you get to the Probation. My
number is in the telephone book.

With best wishes from both

Yours.

Sincerely yours.

John M. Baker
