C/o American Magazine
341 Fifth Ave., N.Y.

Dear Madam:-

We beg to announce that after December 1st
the book business known as The McClure Company will
be carried on by Messrs. Doubleday, Page & Company.

It is with great regret that we terminate
our relations with you as publishers of your books.
We bespeak, however, for the Doubleday, Page & Company
the same spirit of enthusiastic co-operation from the
authors with whom we have had the honor to be allied
that has been the mainstay of our business in the past.

Cordially yours

The McClure Company
