Mr* Samuel Ranck
Ryerson Library Building
Grand Rapids, Mich.

My dear Mr. Ranck:

Last October you wrote me about stopping off at Grand Rapids one of these days and giving a talk at the Library. I could not do it during my trip West in the fall as I told you, but I am to be in Royal Oak, Mich. on the 17th of April, and I could go out the next day to you if you care for it, and talk along the lines we suggested - what we women can do to improve things in general. Of course you will phrase it in a more dignified fashion.

That book on Furniture is certainly a grand publication. Thank you very much for sending me a copy. What a lot of things, you, Mrs* Ranck and I will have to talk about - farms, canoe trips and all kinds of joyous matters.

Kindly let me know as soon as convenient about the talk.

Sincerely yours
