September 24, 1930

My dear Mr. Weymer:

I have your letter of September 20th and am enclosing a card with my autograph.

As to the whereabouts of the Bixby letter, I have no knowledge and so far as I know has ~~anyone else~~ no one. You should read Dr. Barton's chapter on the subject. As to Lincoln having written such a letter, yes, I do believe it.

Hoping this answers your questions, believe me

Very truly yours

IMe
