

Mechanizing the Womans

Don't believe ⁱⁿ it:

~~2 R B~~ Bury her in a belief in machine
effort - production - that - she can turn
her responsibility - to a machine - let it
run her - instead of her running it -

Machine the machine -

So this is the mechanizing the
each - big body of individual effort
in the world - individual - individual
effort left in the world -

The detail - under by

The human in her family order by
individual - natural process -
~~not~~ - things selected & effort & need -
learn great things - sources of machine
not - logic - not sequence - the whole of
the home & place - & order to meet
of machine

lumpy - her more upset - a well-fed
well dressed sh. used - But
~~while the machine can be~~
~~for machine~~ ~~the~~ running without
f.

keep in her job - you not have
run the job - she must do that
2 by something more than chance
2 the spirit of

well - my up a child by machine
needs unprincipled is. the value of
individual sense of the human mind
dear with respect -

College women children are
not as self-reliant - resolute -
as pt. to deal with life as those
of women who ~~meditated~~
deal more directly with the ~~theoretically~~
with life.
