Commencement one of these personal
landmarks in education.

What is it? What does it signify -

Amend - no change - only relief -

Real change is not so much in you
as in world's attitude towards

We have been waiting for you. Now
ask for dividends. What the ques-
tion it now asks is what can you

you. Certain definite things it asks.

But do you propose a vol. to align

yourself with the power in your
community while awaiting the
redly high standard in service in
intellect - practical & political life -
