New York City.

Dear Miss Tarbell:

The enclosed is a report of a Committee of the New York Alumni, made after considerable study of the financial situation in Allegheny College. I thought you would be interested in it and I am sending it to you for your criticism and comment.

I am awaiting September 20th with interest, as I understand on that day you will tell the world why you are going to vote for Governor Smith. Personally, I don't see how you can do it.

Very truly yours,

PAB:SH

*P.S. I was a Wilson Democrat,
but Smith in the White House!!*
