Yesterday ended the baseball season for Allegheny and she is clearly entitled to call it a successful one. Better teams have been played, more than a majority of games has been won, and even our defeats have had an element of glory in them. Much credit is due Manager Fomear, Coach Buckley and Captain Turner for the magnificent way the team has been handled, and for the glory that has been brought to Allegheny through her successful baseball team.

The Kaldron

ALLEGHENY'S ANNUAL PUT ON SALE FRIDAY MORNING.

On Friday morning the long-looked-for Kaldron made its appearance on the college campus, resplendent in a suit of blue and gold. The cover is by far the most attractive in years. It is a solid blue with the inscription printed in gilt and reflects much credit on the binders—The Tribune Publishing Co., which also did the typographical work.

The Kaldron of 1903 bears the distinction of being the most representative one that Allegheny has ever put out. It contains cuts of practically every organization in college, irrespective of "party affiliations." Cuts of the boarding clubs appear, as well as the usual fraternity cuts, and for the first time in years, the sororities have their pictures in.

A decided innovation was the use of individual portraits of the Seniors with the record made by each during his college career. The custom should be retained by next year's board.

The re-arrangement of the faculty cuts is a decided improvement.

From an artistic standpoint, this year's Kaldron is much superior to those of former years. The various 'introductory "heads" add much to the attractiveness of the page. They are, for the most part, the work of Mr. V. M. McConnel, and reflect much credit on his ability as an artist.

Instead of the usual engraving as an introductory page for each class, there is a picture of the class.

In a literary way the general comment is that the Kaldron is not as complete as it might have been. Even those who were "burned" most severely say there are not "roasts" enough. There are some exceptionally good things among the literary matter. The write-up of the Junior class is decidedly clever. The "Theisticized" Lord's Prayer is a classic, while the Allegheny Alphabet could hardly be improved upon.

As a whole, the Kaldron is a most admirable production and a credit to Allegheny. It is historical and should be in the possession of every student and every one interested in Allegheny. It is a faithful year book, and is already meeting with a large sale.

FLATTERING WORDS FOR DR. SMITH.

His Memorial Day Address at Titusville Subject of Many Kind Words.

The following clipping from the Titusville Herald is a most flattering tribute to Doctor Smith's ability as an orator, and is one of which not only the doctor may be proud but all Allegheny:

"The speaker of the day, Dr. Ernest A. Smith, of Allegheny college, Meadville, was introduced by Chairman McDonald. He spoke for rather less than one hour, and was cordially received. He is one of the most logical, earnest, learned gentlemen who have been heard in this city in recent years and his address was a delightful departure from the usual stereotyped speeches given upon Memorial day."—Titusville Herald.

The speaker said in conclusion:

"We are not yet through with the sword. Our Excalibur must smite the heathen to bring the Christ. Yet in the future the star of hope is rising. Out of the mists we can see that grand temple at The Hague, promising that the national differences of the future shall be settled by arbitration and that the era of universal peace is surely on the way."

DEATH OF C. BOYD MILLER.

Former Allegheny Student Dies at Home in Mercer.

Word has just been received of the death of Mr. C. Boyd Miller, at his home in Mercer, on the day of April 11. Mr. Miller was a student in Allegheny's preparatory department during the year 1900 and was official

connected with the book store. He was a member of the Kelly Club. A large number of friends will mourn Mr. Miller's untimely end.

ADDITIONAL LOCALS.

Will you be good now?

Miss Ball was visited several days this week by her aunt.

The Campus board of next year will be elected this week.

The Kaldron will be on sale to-day after chapel in the gymnasium.

The Salus-Grady libel law apparently applies even to a college annual!

Why is it that the unmarried men of the faculty "got it worse than the others?"

Sporr has left for McKeesport to accept a position with the Pittsburg and Lake Erie railroad.

Miss Steffener attended the convention of the Woman's Foreign Missionary Society at Greenville Thursday and Friday as the delegate of the Y. W. F. M. Society of the Stone church.

Hall Club and Chautauqua Club played a game of baseball early Saturday morning. After seven innings the score stood 12 to 13 in favor of the Chautauquas. The features of the game were the errors on both sides and the frequent substitution of pitchers by the Hall club.

The members of the Round Table held their last regular meeting of the season Monday evening at Cambridge Springs. Following the banquet the party assembled in the Rider theatre and listened to an able paper by Dr. Crawford on "Impressions of Church Life in London."

Flanigan, in Physiology Class: "I read that some classes of monkeys have a regular language."

Prof. Hendershot: "I don't doubt it; we have specimens of them with us to-day."

The Kaldron management was very much disappointed in not being able to bring the book out on schedule time, owing to the extreme tardiness with which the editor furnished copy to the printer. The literary matter was not handed in until five days before the Kaldron was to appear. The editor awoke to find himself immortalized by the appearance of the Kaldron while his best jokes were yet unwritten.—The Management.

Allegheny College Students Have Always Made the Most Money Working for the KEYSTONE VIEW COMPANY. One of their number cleared over \$800.00 in four months last year. We have graduates and former students of Allegheny College with us who are at present clearing above all expenses from \$150.00 to \$250.00 per month. All cannot accomplish the same, but some are and many can do as well as those referred to. Will you be one of them?

We have recently added a fine line of views from China, Japan, Korea, the beautiful island of Ceylon, the Hawaiian Islands, Porto Rico, the Netherlands, Belgium, Sweden, Colorado and South Africa. Our views of the Paris Exposition and Boer War will continue to be good sellers, and our new set of views of Switzerland is acknowledged by all as being superior to anything they have seen. We have also added largely to our already fine collection of Childhood and comic views, and our views of Alaska, Palestine, Egypt, Mexico, United States and other parts of the world, continue to hold first place with the public.

Our motto is quality first and quantity afterwards, although we are in position to offer both. We have a large force of photographers, who have won numerous medals, working for us exclusively in new fields of interest, and will always be in position to offer you the LATEST and BEST. Students who value their time should consider our work before making other engagements for their mid-summer vacation.

ALPHA CHAPTER GIVES ENJOYABLE RECEPTION TO FRIENDS TUESDAY EVENING.

The members of Alpha chapter, Delta Tau Delta, gave a reception to their friends Tuesday evening at the home of Miss Sara McClurg, Randolph street, who as hostess, represented her absent brothers, William Lowrie and James McClurg, who are members of the fraternity.

About 100 guests were present and the occasion was a very pleasant one. The decorations, in the fraternity colors, purple, white and gold, were simple but effective. The Northwestern orchestra supplied music, and refreshments were served during the evening.

The event was one of the most enjoyable of the season and fully sustained the Delta Tau boys' reputation as royal entertainers.

Men's Banquet at Stone Church

SEVERAL ALLEGHENY MEN ON THE TOAST LIST.

The annual reception and banquet for the men of the First M. E. church was held last Thursday evening, and proved a most gratifying success. The reception was held in the church parlors, from 6:45 to 7:30 o'clock, and the occasion called together a very large representation of the men of the church, both old and young. There were in the wholesome company a considerable number of men who have grown old in their membership with this church; who were participants in its meetings of half a century ago. The reception, therefore, proved exactly what was aimed at—a delightful preliminary to the splendid banquet which was served.

Following was the toast-list:

Toastmaster—Dr. James H. Montgomery (vice-president of Allegheny college.)

Men of the Pacific Coast—Dr. T. L. Flood.

Solo—Mr. Bailey.

Men from Over the Sea—President William H. Crawford.

Solo—Mr. Dunbar.

Methodist Men—Prof. Haskins (Allegheny, '64.)

Solo—Mr. Taylor (Allegheny, '03.)

The First Methodist Man—Rev. Mr. Bugbee.

THE LAKESIDE CONFERENCE.

Something About the Place Where Allegheny Men Will Go.

A new conference for college men will be held under the auspices of the Student Department of the International Committee of Young Men's Christian Associations at Lakeside, Ohio, June 19 to 28. The Lakeside conference will draw delegates from Ontario, Michigan, Ohio, West Virginia and Western Pennsylvania. Platform meetings will be held each morning at which addresses will be given by prominent leaders of Christian thought. At 7 o'clock each evening, on the lake front, meetings will be held at which the various Christian callings needing college men will be presented. At the platform and life work meetings the following speakers will be heard: Rev. William F. McDowell, D. D., Rev. Howard Agnew Johnston, D. D., and Mr. Robert E. Speer, of New York City; Dr. Elmore Harris, of Toronto; President Emory W. Hunt, of Denison University; Mr. G. K. Shurtleff, of Cleveland, Ohio; Mr. H. P. Beach and Mr. Tom Jays, secretaries of the Student Volunteer Movement for Foreign Missions; and Mr. John R. Mott, secretary of the World's Student Christian Federation.

Other features of each day are a missionary institute for the consideration of the problems of promoting missionary life and activity in college, normal home mission and foreign mission study classes for the preparation of leaders of such classes in the colleges, and a conference on the methods of carrying on the various phases of student Young Men's Christian Association work in college.

Five normal Bible classes will be held each day to prepare students to become leaders of similar classes among their fellow students during the coming year. The leaders of these classes will be Mr. N. Wilbur Helm, of Princeton University, Dr. Elmore Harris, Mr. Thornton B. Penfield, of New York; Prof. Rollin H. Walker, of Ohio Wesleyan University, and Dr. Howard Agnew Johnston.

The afternoons of the conference are devoted to athletics and recreation. Lakeside affords ample opportunity for boating, swimming and rambling among the rocks, while athletic grounds will be prepared for baseball and other athletic sports. It is expected that between 300 and 400 students will attend the conference. The preparations are being conducted by Mr. A. B. Williams, Jr.

WHY ORATORY IS BOOMING AT O. W. U.

A Clipping from the "Lantern," Showing How Ohio Wesleyan Encourages Her Men.

An interesting fact came to light in connection with the recent contest of the Central Oratorical League. There has been considerable adverse criticism of the Ohio State University that it does not succeed better in debating and oratorical contests with the Ohio Wesleyan University. Mr. D. F. Edwards, the man who represented Ohio Wesleyan University in the O. S. U.-O. W. U. debate and in the oratorical contest, has, according to his own statement, received 27 hours credit for his contest work. Not one contestant on this year's debate or oratory teams has received an hour of credit from the O. S. U. for his work.—O. S. U. "Lantern."

WEDDING BELLS FOR CHARLES O. THORNTON.

Weds Miss Marietta Beman Memorial Day.

Charles Oliver Thornton, of McKeesport, and Miss Marietta Beman, of this city, were married on Memorial day. The wedding took place at 4 o'clock at the residence, 545 Walnut street, of the bride's cousin, Rev. Irving Beman, by whom the ceremony was performed. The bride was attended by Miss Elda Gloth, of this city, and Mr. William J. Miller, of Apollo, Pa., assisted as best man.

Mr. and Mrs. Thornton left Sunday morning for McKeesport, where the groom is connected with the engineering department of the Pittsburgh and Lake Erie railroad. Mr. Thornton was a student at Allegheny one year ago. He is a young man of excellent character and much ability. The bride is the youngest daughter of Gideon H. Beman, of this city, and since her graduation from the High school has been engaged in teaching.

Many friends wish the young people much happiness.

POLITICAL ALLEGHENY.

John J. Henderson Nominated for the Superior Court Bench.

The nomination of Judge Henderson to the superior court bench by the Republican party is a source of much satisfaction to all persons in Western Pennsylvania. The nomination follows after his appointment to the same place a short time ago. This nomination practically assures his election for a term of ten years.

Judge John J. Henderson was born Sept. 23, 1843, in Allegheny county, but has been a resident of Meadville since 1856. He graduated from Allegheny college in 1862 and enlisted in August of that year in the 150th regiment, Pennsylvania Volunteers, serving until June 16, 1865. In August, 1867, he was admitted to the bar; in 1872 he was elected district attorney and in 1887 he was elected president judge of this district for a term of ten years.

Judge Henderson's ability and integrity make him a candidate of whom his party, this city and county, and his alma mater may justly be proud.
