Dear Miss Sewall -

I wonder if some-
times that you are not
so busy if you would like
to read some of my poetry
and tell me what you
think of it.

Have sent it around
to the magazines but they
have always returned
it with "thanks" as not

bring just what they want.
ed at that time. One or
two have praised my work.

I hope that you will
be interested enough to pass
your opinion on some of
my work Miss Tarbell,
because I have great faith
in your excellent judge-
ment.

I leave the office at
five and on Saturdays at
12. I could also come down
on Sunday if that is con-

reunite to you.

Trusting you are well
and hoping for an early
reply.

I am sincerely,
Elizabeth H. Davis.
