Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

My secretary has prepared the enclosed statement of royalties received from Shubert and remitted to you, and the payments on account thereof received by us from you. The statement shows that all payments due us from you have been made in full to date.

I had a talk with Mr. Shubert's attorney on the subject of their consenting to the broadcasting of "HE KNEW LINCOLN" on Lincoln's birthday. The attorney promised to call me back later in the day. I will communicate to you their decision as soon as I have same.

Yours very truly,
