Dear Miss Tarbell

After much delay on the part of the printer, I am at last able to send you a copy of

"Lincoln's Letter to a Discouraged Student" and hope it will please you.

From the same press I have received Dr F. D. Blakelee's new 32 page pamphlet "Personal Recollections of Abraham Lincoln", on which I am to have exclusive sale. It is limited to 100 copies, numbered and autographed, and sells for 2⁰⁰. I would like to have your order for a copy.

Respectfully

H. E. Barker
