Dear Miss Tarbell

We are enclosing twenty five cents in stamps for the return postage on Mrs Enoch Pauls copy of Yawn book and photograph which we mailed to you today.

It has been a pleasure

Ida M. Tarbell Collection, 1880-1944, Allegheny College

to sell "All In the Days Work"
because we all enjoyed it
and feel that it is something
of a precious record to be
read for years to come.

Sincerely

The Greenwoods
