Miss Ida M. Tarbell,

R. F. D. #25,

Bethel, Conn.

Dear Madam:

Your note of the 25th is duly
received but the document which you state
you mailed back to us has not come to hand.
In regard to the Report of the Special Com-
mission on the Revenue you ask for the one
"in 1867." Do you mean the one for that year
or the one published in that year? The
latter would probably be for the year 1886.

Awaiting your further advice,

Very truly,

W. H. Lowdermilk & Co.,
