MISS SARAH TARBELL
BETHEL
CONNECTICUT

Dear Ida:- The letter you sent with your package ~~from~~ was laid among some ads & I didn't discover it until I had sent mine yesterday - You spoke about coming up for ~~a B. party~~ Sunday - Why not put it off until next week and come up here for a day or so - I am not sure about getting down this week & to sent? I will take my coal stove - living normally agin - We might even have a blizzard for you - I am glad you are better - No news except I split my own wood all over my desk - It seemed to be at the time the last straw but it is the best with love Sarah
