Dear Miss Farbell:

I am glad
to be one of the many who
are wishing you to-day all
good things, health, happi-
ness, success - that is most
of it. Besides objective doing, there
is really a bigger something.
While I recognize your other a-
chievements, I love more to
think of and to feel, as greater
achievement, your spirit.
So often it has softened

my kind heart with its
gentle influence on this
I thank you.

Most warmly -

Barnette Brown
