My dear Mrs. Daum:

Thank you for your thoughtfulness in sending me a copy of this letter of Lincoln's to Joshua Giddens. I am most glad to have it along with your letter of explanation for my collection.

You say that Mrs. Honeywell told you that she was giving the original to the Historical Society of Columbus, Ohio. I am asking my secretary to write to the Society inquiring if it is still with them. If I learn anything I shall be glad to pass on the information to you.

With renewed thanks for your interest, believe me

Very truly yours

Mrs. William T. Daum
