

Dileo. "He knew himself"

Tells story of how man complained to Mr. L. of Mrs L's temper & he said - "Can't you get in 15 mins when I have to all the time. Mr Dileo calls himself a "Medicine man" says she was good neighbor of course - she had a temper - the Rodds all had a crazy sister - "My wife Mr D. went on. "says he all have a crazy sister & I guess she's right. You have haven't you" appealing to me.

He finished by "believed in God as much as I do". Tells no further stories of his religion but concludes old ones.
