Miss Ida M. Tarbell, President
The Pen and Brush
120 East 19th Street
New York, N. Y.

My dear Miss Tarbell:

We have been conferring with Sara Sparks of the New York League of Business and Professional Women on how to extend hospitality to visitors coming to the World's Fair, and to your own Club members. We thought it would be a nice plan to have a conference at the National Advisory Committees' Headquarters, 40 West 51st Street, at 5:30 o'clock on Friday, June 2nd.

This informal meeting will help us all very much in planning hospitality for the summer and we will greatly appreciate your coming and taking part with us, and giving us your ideas and suggestions.

May we expect you for tea on that afternoon, and will you let us know here at the New York Headquarters, whether you will be able to be with us that day.

Very sincerely yours,

Harriet Aldrich
