THE DEAN

My dear Miss Tarbell:

We were greatly pleased to receive your letter of October 20th, and to read your splendid reference to the work of Mr. Taylor.

I am writing at once, to say that we have definitely decided on Thursday, December 7th, as the date for the Taylor Celebration, and we trust that you will keep this day free so that you may be with us. In all our conversations and plans for this occasion, your name has always come up as one of those whom we particularly wish to have with us. We are now working on the details of our program and as soon as it is issued we will send you a copy.

Very sincerely yours,

F. DeR. Furman
