

Jan'y 10/03.
My Dear Miss Tarbell

Mrs Moore, whom
I know as an inmate
of Mr & Mrs Hacia's house
(a little girl of 8 or
10 years old) sends me
the enclosed paper which
I presume will inter-
est you.

In the story there
is about as much fic-
tion as fact. She seems
to be exceedingly gen-
eral & sincere, with mar-
vellous freedom, what
she knows & what she
has heard. She is
really over 55 years
of age, but she is not
over 60 yet she

reaches caverts of 80
or 100 years ago, with
the cave & fluvial,
belonging to the ocean-
remains of ten years
ago.

If you find any-
thing ^{every} to amuse you,

I shall be that I am
able to contribute it -

Yours very truly

J. B. Henderson
