Miss Ida M. Tarbell,
132 East 19th Street,
New York City, N. Y.

Dear Miss Tarbell:-

We neglected to say anything about travelling expenses while you were here and I now hasten to send the enclosed check.

We are very grateful to you for coming to us from your busy world and we hope that we have gained inspiration from your talk to pursue our work. Backed by your pleas to uphold standards for working women we take new courage in requesting the Government to bring its arsenal work for women up to the standards of private state work as adopted by the legislature in 1913.

Cordially yours,

Mary H. Weston,
Treasurer.
