

January 30, 1930

Dear Mr. Gumm:

I have received the three copies of the proposed agreement between the Publix Theatres Corporation and myself, with reference to the short motion picture, arranged from an episode in "He Knew Lincoln." I have read it with care and see no reason why I should not sign it. You will find the three copies enclosed executed as directed.

Thank you for the interest in the matter.

Very sincerely yours

Mr. H. Harold Gumm
