Dear Miss Tarbell —

I just write —
and say how thrilled
I am over ^{newest} the book!!

And so proud to know
that I've had the
privilege of sharing

your acquaintance for ^(26 yrs)
 over quarter of a century -
 All the years you've stood
 at the helm of the
 Pea & Bush. (I've seen
 you in our home - and
 once, in your home at
 the farm - with your mother,
 and my mother, both there!)

The worst that
 Bulletin says there's
 going to be a big
 dinner there this

month, to welcome home
Our President!! I'll be there
in line, with all the rest -
with the book under my arm,
that I'm humbly eager for
you to autograph.

Meanwhile - Always more & more
In deep admiration and
affection Yours Mary Tarrance
