Dear Miss Tarbell:

Mr. Nevins has finally completed his manuscript, and he informs me that it is on its way to me. I hope he has provided you with a copy. If he has not, let me know.

I am taking the liberty of sending you, under separate cover, a study of the rise of the department store since the Civil War to 1900. It may save you some research as I think the student has exhausted the available source materials in print. Some items may interest you.

With all good wishes I am

Sincerely yours,

A. M. Schlesinger
