

VITTORIO MACCHIORO

VIA DOM. CIRILLO N. 8

NAPOLI (57)

Naples July 5, 1926

My dear Miss Tarbell,

In substitution of Mrs. Reed's article, which, I said in my former letter, I shall be able to send to you in a few days, I send to you enclosed an article of Prof. Anderson, the well known editor of the Australasian Journal of Philosophy, which will afford to you a satisfactory acquaintance of the complex of my researches on orphism and christianity.

Another article of the same scholar about my other book ("L'Evangelio") is about to be typed and I will send it in the next days.

Once more I express to you my thankfulness and my deep interest in your thought and your personality.

With kind regards and my best wishes

Yours truly

V. Mascherò
