My dear Miss Tarbell,

Your very kind and appreciative letter, with personal check enclosed for church hymnals, was received some little time since and greatly appreciated.

I ordered one copy of the Hymnal sent direct to you for your personal use, as you suggested, and I trust you have received it before this. With the remaining Four Dollars I have had two of the higher priced hymnals, which are specially for the choir, marked as memorials to your parents from you, and also one of the regular ones for pew rack. You will be interested in knowing that Mr. and Mrs. Wm. H. Thompson - long-time members of the church - placed one of theirs as a memorial to "Mr. and Mrs. F.S. Tarbell"; also. May I add that Mr. Thompson lost his eyesight some few years ago.

We expect to dedicate the new hymnals in a very beautiful service next Sunday morning. I shall enclose with this one of the special orders of worship prepared for such an occasion, most of which we shall use Sunday.

Again thanking you sincerely and with my best wishes to you at this happy Thanksgiving Season,

Very sincerely,

*Norris A. White*
