Jan. 3. 36.

Dear Ida Tarbell:

We were touched by your card, for we like to be remembered by our old friends. We have made our permanent home here and may not get East again. We talk of going to Washington in May and next year June but it may end in talk. Don't forget us. It is now. Dare to wish you a happy new year - We can only wish you a yearly progressive and prosperous one.

Most faithfully
Hamlin Garland
