Please give me
the following information -
By return mail - if possible -

Inasmuch as you hold
the copyright on "HE KNEW
LINCOLN" by Ida Tarbell,
what charge or royalty (if any)

would you require on a dramatization
or dramatic monologue based on her
story if played under the following
conditions —

1. On the "air" or over a radio
broadcasting station as a NON-COMMERCIAL
Program — in other words for which there
was no pay —

2. When (or if) the writer were to
present this offering before Schools, Churches,
lodges, clubs, et cetera for which he
would receive a fee varying from five
to twenty-five dollars, depending upon many
factors.

3. When (or if) the writer gave his
services free under similar conditions.

I would greatly appreciate
an immediate reply, inasmuch as

herald's day is rapidly approaching,
+ I would like to use the
material if possible, were I
to receive any booking.

Thanking you for the
courtesy of an early reply,
I am,

Very truly Yours,

R. W. Taylor
