Miss Ida M. Tarbell,  
Allegheny College,  
Meadville, Pa.

Dear Miss Tarbell;-

Your letter addressed to Mrs. Morck was received this morning and as Mrs. Morck is at present in New Haven, Conn. with her daughter, I opened it thinking perhaps you might have arranged to come to Oil City during her absence, I have forwarded your letter to her and am sure you will hear from her on her return which I expect will be the later part of this week. Am sure she will be very much pleased to see you and if she may not be too tired on her return may accept your kind invitation to lunch with you, however that will be up to her as I do not make dates for her unless authorized to do so.

Very truly,

*J. First* Secy.
