Dear Mr. Dounce:

How generous of you to write me this full and interesting account of the Fra Elbertus - Standard Oil Saga. You make it very colorful as well as significant. I shall watch with interest for your book.

As I said I think in my first letter I shall be glad to credit you with any information that you give me. Perhaps what I better do is to send you a copy of my references to the Hubbard pamphlet - it will not be long.

And do believe me I am most grateful for the trouble you have taken.

Very sincerely

Mr. Harry Esty Dounce
