

Lincoln & Douglas Debates: New York Times, Sunday, February 10, 1935

Picture of Lincoln at Knox in 1858

Martha Finley called me up to say that John was delighted that they used it. His editorial attached gets in a word for the campaign to preserve the building.

This picture was made for McClure's Magazine, edited by Mr. Finley after my visit there collecting Lincoln material. I notice that in my "Life" the picture carried no credit to the author.
