Dear Miss Bennett:

Of course I am glad that you had an autographed copy of "All in the Day's Work" to send Mr. Herrick. I should have been pleased to inscribe it especially for him as I have always valued his interest in The History of the Standard Oil Company.

I am interested in what you say about the new books stimulating orders for the old ones and I am passing that hint on to Mr. Putman at Macmillan's.

If you have orders for books with the requests that they be autographed and cannot get them over here on time, I may be able to do it for you in Titusville for I am expecting now to go over for two or three days probably on the sixteenth or seventeenth.

You were clever to send out Mr. Giddens review to your prospects. It is a good review and of course I am very pleased that he was willing to write it and Mr. Stevens to publish it.

I hope to see you when I am in Titusville.

Very sincerely yours,

Miss Rosa Bennett
