Mr. S. P. Gilbert, Jr.,
Office of the Under-Secretary, Treasury Department,
Washington, D. C.

My dear Mr. Gilbert:

Thank you for your letter of January 9.

It gives me the information which I wanted about the moneys paid to Abraham Lincoln as President of the United States. I appreciate the trouble that was taken in having this information compiled.

Thank you also for referring me to the Comptroller General of the United States. I am writing him today.

Very truly yours,
