Hon. Henry Horner
Probate Court of Cook County
Chicago, Ill.

Dear Judge Horner:

It was very good of you to take the trouble to see that I have these photostats of records in Mrs. Lincoln's conservatorship proceedings. They are a real acquisition to my little collection, - so will your letters be that I am filing with them.

A copy of a most interesting engraving of Lincoln was enclosed with the photostats. Can you tell me whose it is? I cannot place it. I find it very satisfactory.

With renewed thanks for your kindness, believe me,
dear Judge Horner,

Very sincerely yours
