Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

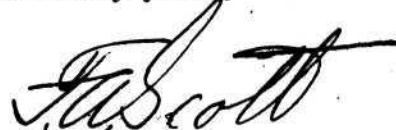

Dear Miss Tarbell:

This note is merely for the purpose of keeping in touch with you on the subject of our recent conference.

I appreciate very much your letter of May 20th, and naturally I am gratified to know that Mr. Farrell retains so pleasant an impression of our Washington contact, notwithstanding the nature of our work, which certainly was strenuous and severe, to say the least.

We shall anticipate hearing from you whenever it suits your convenience, on the development of your subject.

Cordially yours,

President.
