Dear Mr. Moe:

Pardon the delay in replying to your letter of November 25th asking "my careful judgment of Mr. John W. Starr, Jr's ability, of his proposal for work, and of him with reference to that proposal." I should have answered more promptly but I was out of town and came back to an over-crowded desk.

However, here are my answers to your questions briefly put. I hope they may be of some use to you.

Very sincerely

Mr. Henry Allen Moe
