INTER-FRATERNITY SING IS TO BE HELD TONIGHT

SEVEN FRATERNITIES COMPETING IN NEW CONTEST; TROPHY TO BE AWARDED

Seven fraternities are competing in the first annual Inter-Fraternity Sing to be held this evening at seven o'clock on the steps of Bentley Hall. The committee in charge has purchased a beautiful silver trophy which will be awarded to the fraternity winning this year's contest, and which will remain in their possession until next year's contest. The group which wins the cup in three contests will become permanent owners of the trophy.

The purpose of the contest is not only to provide friendly campus rivalry, but, in the words of the sponsor of this contest, to encourage a tradition which is lamentably absent at Allegheny, the American college custom of "step-singing." Almost every college and university from coast to coast has this custom in some form or other, whether it be called "Interclass Hums," "Senior Sing," or just "Sing," and the undergraduates usually gather on the steps of the oldest college building the name of which is most closely connected with the history and traditions of the college.

Three judges have been selected to make the award, the winner to be announced immediately at the close of the contest. While the judges' decision is being awaited, the groups will join together in a few college songs led by the college cheer-leader. The fraternities will sing in the following order, which has been determined by lot:

1. Delta Tau Delta.
2. Sigma Alpha Epsilon.
3. Phi Gamma Delta.
4. Beta Upsilon.
5. Phi Delta Theta.
6. Phi Kappa Psi.
7. Alpha Chi Rho.

Weather and Postponed Matches Keep Mushball Leagues at a Standstill

Rain and forfeits prevented all activity in the Mushball Leagues for the past week. On Tuesday, Beta Upsilon forfeited to Delta Tau Delta, and on Wednesday to Beta Kappa. The Phi Psi-Non-Fraternity game to be played on Thursday was rained out, as was the Phi Psi's game with Beta Kappa on Monday. The postponed games will be played off as double headers with regularly scheduled games as soon as the weather permits. The Non-Fraternity-Delta game, first game of the season, and protested by the Deltas, will be played over also as a double-header. (Continued on Page 4)

DR. CRAWFORD TO SPEAK AT REUNION LUNCHEON

The President and Board of the General Alumni Association are very happy to announce that President Emeritus William H. Crawford has accepted their invitation to make the one brief address that will be given at the Alumni Day Luncheon of Saturday, June 7. Doctor Crawford has only recently returned from a winter's sojourn in Paris. All Alleghenians know that he will bring a message of optimism and cheer as no one else quite can. There will be a short business meeting presided over by President A. A. Culbertson. In the main, the luncheon will be a reunion affair. It is the one place at Commencement where you will find everyone you are looking for. Please help the Alumni Office by sending in your seat reservation as soon as possible; there are no charges.

CLASS OF 1905

Will you authorize arrangements for a Class breakfast at nine o'clock Saturday morning, June 7, by writing at once accepting the invitation and reserving places for the Alumni Luncheon at noon when all Alleghenians are expected to return home for a day of happiness and reunion? This 25th anniversary of our graduation should not fall to be spent in Meadville if you can possibly get here. To the few whom distance or other barriers prevent from coming, there is an earnest request for a letter telling of their history for the past five years so that they may be represented at the breakfast and luncheon. Please send at once your acceptances and reservations to Edith Rowley at the College. Suggestions have been received from several already. It is hoped that all will suggest means for making the reunion a happy and successful one.

PHILO-FRANKLIN FORUM PETITIONS TO DISBAND

LACK OF INTEREST ON THE PART OF MEMBERS IS REASON FOR SUCH ACTION

After a century or so of continuous existence the Philo-Franklin Forum, a society for the promotion of public speaking among the male students of the college, is petitioning for its discontinuance. Present members of the organization feel that the Forum has outlived its usefulness, and that its endowment would be better placed in some other branch of forensic activity.

The club was organized on the plan of a national deliberative body, and was for many years one of the most important non-secret societies on the campus. By giving men actual experience in oratory, debate, and public discussion of all variety, the Forum helped to develop many polished speakers. The outstanding public activity of the organization was the annual prize oratorical contest which it sponsored every spring. In recent years, however, interest in the group has dwindled away, and for the best advantage of the whole school, its endowment will probably be transferred to the credit of the debate teams.

May Queen's Court Elected at Chapel Service Last Friday

Leroy Donahue and John L. Rumsey, both members of the Allegheny Band, entertained with solos in chapel Friday, May 16. Mr. Donahue, playing a flute, played Franz Dridula's selection, "Souvenir." Mr. Rumsey gave a cornet solo, "Arbucklenian Polka," by Hartmann.

Following this entertainment Miss Leroy took charge and nominations were made for May Queen. Girls who were nominated were Dorothy Allen, Laura Byers, Sara Dixon, Erma Kuhnert, Helen Potthoff, Virginia Sigendall, Corinne Ehrlen, Margaret Helmbold, and Catherine Welsh. Each student then balloted for one girl.

The three girls having the highest number of votes will be balloted upon in the final election to be held Thursday, May 22.

Miss Leroy announced that the policy has been changed over that of previous years, when it was the custom to elect the May Queen from the Junior class. Hereafter the May Queen will be a Senior girl.

Tennis Teams to Start Activity This Week; Contests Scheduled

Allegheny's tennis team gets back into full stride this week with three meets on the schedule. On Tuesday the return meet with Duquesne is to be played, at Duquesne. The Duquesne courts are surfaced with asphalt, which may prove a handicap to the Allegheny players. The Duquesne squad put up a hard fight in the meet here, and may be counted on to give the Blue and Gold racquet players plenty of trouble.

On Saturday the team plays a home meet with Pitt at Allegheny, and on next Tuesday another home meet with Bethany at Allegheny. It is not known whether the new Allegheny courts will be used for the matches, but considering their condition at the last meet, their use is improbable.

The match at Thiel last week was forfeited to Allegheny when rain stopped the matches after two victories for Allegheny, one by Bradford Booth, the other by Gordon.

ALLIGATORS TO MEET GENEVA THIS WEEK

On Saturday Allegheny will play host to the track and field team from Geneva College. As a team, the Covenantors have possibly the strongest aggregation in the Tri-state district; individually, their stars are legion. Best known of their individual performers is Friedman, winner of the javelin throw at the Penn Relay Carnival this spring. He alone will give the fans a treat at the track meet on Saturday. In Thomas and Nave, Geneva has two of the fastest dash men in the district; both of them will undoubtedly equal the field record in the 100-yd. dash. Ewing will give Conn some of the best competition in both of the hurdle events that he has met this year. Roberts of Geneva holds the Tri-state record in the high jump and is capable of establishing a new mark in that event for Montgomery Field.

On the other hand, Allegheny is not as weak as she was at the first of the year, and will be expected to take many points, especially in the longer runs. The field events still remain deplorably weak, but all of the running events have greatly improved since the first meet.

ELABORATE PROGRAM ARRANGED FOR SECOND ANNUAL MAY DAY

May Day Festivities to Begin at Two O'clock Tomorrow;
May Queen to be Chosen at Chapel

May Day, formally observed at Allegheny for the first time last year, will be celebrated tomorrow by the Spring Festival consisting of a number of interesting and entertaining events. The natural setting afforded us by our campus and the features listed in the program below promise to make May Day the all-college event of the spring season.

The day's activities begin at 2:30 with a baseball game, and end with a pageant; classes conflicting with the May Day program will be dismissed. The procession of the May Queen and her Court is to be an outstanding feature of the program; this, together with the pageant, will take place on the natural stage located on the campus in front of Bentley Hall.

The May Queen is to be elected tomorrow at a special chapel service. She will be chosen from the eight girls listed in the May Queen's Court who were elected at last Friday's chapel. In order that the May Queen may be chosen by the student body as a whole, it is necessary that every student attend the election tomorrow.

Hulings Residents Dramatize the New Campus Sensation

Thinking that there was no use confining the publication of mystery stories to Van Dyne, the Lit Magazine came out last week with the first installment of Helen Miles' "The Campus Mystery." The story has been well accepted by the Lit readers not only because of its mysterious nature, but also because of its familiar setting—Hulings Hall and its laundry. Miss Miles' publicity agents, who proved to be only a group of bored, adventure-seeking seniors from the aforesaid Hall, gave the women's dorm a partial dramatization of the story, probably as an incentive to read it, although many of them were in the very act of reading it when it all happened. Promptly at twelve mid-night on the day of the publication of the Lit, a suspiciously sounding fire bell rang. Many of the more innocent women seized the customary towels and bath robes and ran out into the hall. But the more incredulous women flatly denied that the bell was authentic; so they all went back to bed. The poor seniors were foiled. With broken hearts they came out of their hiding places in the kitchenette and, with the help of the Dean, rang a second and more imperious bell. The sleepy women upstairs were bewildered, exasperated, and disgusted. They decided to see just what the trouble was, so they went downstairs and into the living room. The sight that met their eyes was a most horrible one, especially to those that were still a bit groggy. A very real looking corpse with real silver slippers and a Kappa Sig pin was laid out on one of the long living room tables. Burning candles, the midnight hour, and the confused mental state of the sleepy women all added to the horror. Such piercing screams and bloodcurdling screeches Al says he has never heard from across the street. Most of the girls spent the rest of the night shuddering under the covers with doors and windows locked and lights on.

This not being enough, the next night the Hall was invaded by a collection of ghosts, laundry wailers, logia-roof prowlers, and what not. Needless to say, the entire college awaits the next issue of the Lit and the conclusion of the story. Until then, we predict unlaundered hose and unpressed dresses because the Hall women absolutely refuse to go into the laundry without an armed guard.

GLEE CLUB ELECTS MANAGER

James Springer was chosen manager of the Men's Glee Club for next year when the organization held its elections this month.

New Members Elected To Student Senate And Athletic Board

After chapel last Wednesday, the student body elected Junior members to the Men's Senate and also student members of the Athletic Board of Control.

Elected members to the senate are: Nicholas Verano, Phi Kappa Psi; John Underwood, Delta Tau Delta; Fred Harper, Sigma Alpha Epsilon; William Phillips, Phi Delta Theta; Robert Garbark, Alpha Chi Rho; J. Wilson Kelley, Beta Kappa; David Kay, Beta Upsilon; and Jack Eastman, Non-Fraternity.

Students on the athletic board are Henry Lane, Delta Tau Delta; and Harrington Smith, Beta Upsilon.

Each fraternity nominated three candidates for the senate, from which the members were selected. Four men were nominated for the athletic board from the school at large.

Chi Rhos and Phi Psis Now Heading the List In Baseball Contests

Three games comprised the week's activity in the baseball leagues. On Tuesday, the Chi Rho aggregation stepped into top place of League A by dropping their competitors, Beta Kappa, in a 23-7 victory. It was a tight game until the fifth inning, when Beta Kappa's infield errors, aided by four walks from Dunkle, allowed the Chi Rho's to run up ten runs in one inning. From then on it was all fun. On Wednesday the Phi Psi team upset the dope by taking over the S. A. E. sluggers, 5-4. It took ten of the hardest-fought and most exciting innings ever played on Montgomery Field to do the trick. The victory practically clinches the championship of League B for the Phi Psi's. On the same day the Deltas defeated the Non-frats 7-6. Other scheduled games of the week were rained out.

Standing of the leagues:

LEAGUE A			
	W	L	Ave.
Alpha Chi Rho	2	0	1000
Beta Kappa	1	1	500
Phi Delta Theta	1	1	500
Beta Upsilon	0	2	000
LEAGUE B			
	W	L	Ave.
Phi Kappa Psi	3	0	1000
Sigma Alpha Epsilon	1	1	500
Phi Gamma Delta	1	1	500
Delta Tau Delta	1	1	500
Non-Fraternity	0	3	000

PLANS FOR NEW COUNCIL ARE PROPOSED RECENTLY

O. D. K. PLANS ORGANIZATION OF INTER-FRATERNITY COUNCIL AT ALLEGHENY

Representatives from each fraternity on the hill met last week to discuss the problem whether or not to establish an Inter-Fraternity Council here at Allegheny. The representatives were ordered to bring the question before each of their respective fraternities at a special meeting.

Such an Inter-Fraternity Council would undertake to discuss and promote only fraternity matters. Each fraternity would be equally represented and the representatives would be elected by the fraternity itself, instead of by a popular vote of all the students in Allegheny. If an Inter-Fraternity Council were to be established, various questions would be brought up in meetings and plans would be formulated whereby a better spirit of cooperation between the organizations would result.

A more detailed discussion and study of such an organization as it now exists in other colleges and universities will take place at a meeting of the representatives sometime this week, at which time, also a skeleton constitution will be drawn up for presentation to the various fraternity groups, provided that all of the groups on the hill express a desire to attempt the organization of this council.

Professor Buckingham Shows How Allegheny Rates With Colleges

On Monday, May 19, Professor Guy E. Buckingham delivered in chapel a very interesting address in which he commented on the averages of past Carnegie Foundation examinations which have been taken by students of Allegheny College.

The purpose of these examinations is to determine whether the average student is qualified for a college education, and whether he takes advantage of his golden opportunity. The representative brought to light the striking question, "Should a student who makes a very low average in one of these intelligence quizzes be permitted to proceed in matriculating, and should he be allowed to be graduated?" It was clearly stated that the general cause of failure was due to students lack of effort and not to the lack of intelligence.

According to past records in these examinations Allegheny College was rated in the upper range. It is expected that the present Sophomore class lived up to the established average of the college when they recently took a like examination.

Two Students Receive Fine Recognition for Record at Allegheny

Announcement is made that two young men of Allegheny's student body have recently received fine recognition for their work completed during their period of study at Allegheny.

V. Osler Hammett, who received his A. B. degree last spring and who is now doing special work in the departments of Biology and Chemistry, has been awarded a four-year Senatorial Scholarship to the School of Medicine at the University of Pennsylvania.

Edwin T. Layng, a member of this year's graduating class, has been awarded a scholarship to the Department of Chemistry at New York University.

Both of these men have been active on the campus and are both members of Phi Beta Kappa, honorary scholastic fraternity.

TWO SPEAKERS CHOSEN FOR MOVING-UP DAY

Class Day will be observed this year on Wednesday, May 28, when the chapel exercises will be turned over to the Student Senate. Each class will be represented by a speaker, the Seniors having chosen George Johnstone, and the Freshmen, William Roos. The Sophomore and Junior choices have not yet been made public.

PHI BETA KAPPA AWARDS MADE PUBLIC LAST WEEK

TOTAL OF THIRTEEN MEMBERS CHOSEN FROM PRESENT SENIOR CLASS

On Wednesday, May 14, the date set aside as Phi Beta Kappa day, announcement was made of the election of ten members into that organization. This marks the first time in twenty-five years that the announcement has been made before the annual Commencement.

Dr. S. S. Swartley opened the chapel program with a short talk on scholarship. Dr. Swartley raised the question "Why should we be interested in scholarship?" He pointed out that scholarship implies a search for fact, and that its three main points are accuracy, a searching or inquiring attitude, and an interest in things of the mind as well as non-material things. He showed that accuracy is necessary for any achievement and that in all fields one must face the difficulty of finding facts, and an inquiring attitude is necessary to find the causes and related effects about which little is known. He also pointed out that much discomfort comes from a hunt for material satisfaction rather than mental satisfaction. For these reasons Allegheny has tried to develop this interest in scholarship, and Phi Beta Kappa has endeavored to develop it in all schools.

Following Dr. Swartley's remarks, Dr. W. A. Elliott briefly reviewed the history and purpose of Phi Beta Kappa, and after explaining the qualifications for membership, he announced the names of those elected this spring into the honorary organization.

The thirteen members elected to Phi Beta Kappa from the Class of 1930, including the three members elected early last fall are: Laura Byers, Mildred Van Dusen, William Wycoff, Wallace Leffingwell, Dorothy Allen, Arthur Colley, Elizabeth Scheik, George Munnell, Helen Potthoff, Edwin Layng, Leah Smith, Tom Gill, and Robert Rutherford.

INTERESTING DISPLAY IS PLACED IN LIBRARY

DISPLAY CONSISTS OF PUBLICATIONS OF THE TIME OF WILLIAM E. REIS

Miss Edith Rowley has placed a most interesting display of pictures, catalogues, and other publications in the case at the Library. The display covers the period when Mr. William E. Reis was attending Allegheny, as well as the decade just before his matriculation.

Mr. William E. Reis, the donor of Allegheny's Library was, for twenty years, not known as the giver of the present building. When it was discovered that Mr. Reis had made it possible for Allegheny to have a library, a tablet was placed in the entranceway. A few months ago Mr. Reis gave \$50,000 for an addition to the present library building and then, when he found that the addition would cost \$9,000 more than was expected, donated the other money that was needed.

The display includes the catalogue of the college for the year 1869 and shows Mr. Reis' name as a senior. There is a picture of Dr. George Loomis, President of the College from 1860 to 1874. Student societies which more or less took the place of the fraternities of today have placed some of their constitutions and catalogues on display. The constitution of the Philo-Franklin Literary Society, which has recently petitioned for disbandment, is opened to the first page and states that the object of the society is "to promote friendship and morality and to aid its members in the acquisition of practical knowledge." There are also catalogues of the society for the years 1860 and 1866 as well as an invitation to the anniversary exercises of the society in June, 1863. Contemporary publications to be found in the case include the "Ladies' Repository" of the September, 1862 issue. This magazine was devoted to "literature and religion" and was a very popular journal at that time. Mr. Nutt, of Cleveland, was kind enough to contribute a series of commencement programs for the years 1856, '59, '60, '61, '68, and '70.

The collection has aroused a great deal of interest among the students. Curiosity as to the college back "in the good old days" has made a great many of the students spend a long time examining these documents which show something of the life at college at a time when a man who has donated much to the college was a student in the institution.

On last Monday evening at the Phi Delta Theta house Kappa Phi Kappa installed the following officers for next year: President, Howard Plate; Vice-President, William Duncan; Secretary, Stephen Greenwood; Treasurer, Gerold Capwell; Guardian, Harold McLallen.

SOMETHING NEW

Each college or university in America has its traditions. Some are perpetuated through monuments or tablets commemorating deeds or occurrences that assume greater importance as time passes on; others are continued by mere hearsay which, while not always authentic, do much to retain school-spirit within the college. A final group of traditions may be found in the songs which students have sung ever since the origin of good fellowship in college.

Allegheny likewise has her traditions. It is with the purpose of perpetuating them that an Inter-Fraternity Sing has been scheduled to take place this evening on the green in front of Old Bentley. Each student should gain an inspiration at this time either from songs well sung or from the glory in the setting, and it is only right that Old Bentley should have been chosen for such a setting. How many traditions has she fostered and will foster in her life time! It has been said that Allegheny, unlike other schools has no song that is typical of her traditions. But what chance, may we ask, had such a song to arise? Here, tonight, such a song may arise which will cause the listener to live again the glories that have been Allegheny's. What is more, let us help to establish such an affair in itself as a new tradition to future generations.

R. H. I.

RESPECT

"Children must play" is an age-old adage which has been quoted again and again. One cannot imagine how a wise old saying like this could have any application to men and women of college age. It seems, however, that Allegheny has a group of freshmen to whom this saying may well apply. It is not to be thought that the freshmen of this college are a great deal younger in years than those of similar institutions, for there are many of them who may be known as men, if judged by years, but are, by all evidences, infants in mentality.

When freshmen enter college they are treated as men—as gentlemen, in fact. They are addressed with the title of "mister." They are treated courteously and with a helping hand. Should not this gentlemanly conduct be returned? The College has a right to expect to be treated in the same manner, gentlemanly, courteously, and respectfully. The college of particular interest to us is Allegheny and that college, especially, should deserve to be honorably treated by its students.

Allegheny has one of the most beautiful campuses in the country and one of its most beautiful spots is the ravine which crosses the college property. Such a place of natural serenity commands the respect of gentlemen.

Nature has made Allegheny's campus what it is and students at Allegheny not only should, but also must appreciate this advantage which Allegheny has over so many colleges. In spite of that fact, it seems that some of the more daring and brave of the members of the freshman class decided to show their great regard for their Alma Mater by using the beauty spot of the campus as a dumping place for wrecked cars. No doubt these dashing young heroes thought that they had "pulled a fast one" on the authorities by forcing them to hire men to haul the debris away. These wise young fellows had done something which they could brag about in "bull sessions," something that would make the women of the College envy the daring of these youngsters, and something of which the culprits would never be discovered. No matter what they thought—if they can think—the upper classmen of Allegheny have not appreciated this deed of midnight rascality. Most Allegheny students respect Allegheny, particularly for its buildings and its campus. Those same students may criticize the College, they may dislike parts of it, they may disagree with some of its policies, but every intelligent student has learned to revere the beauties of the campus. Well might these spirited pranksters who seem to need teaching in the art of respect take note of the attitude of the upperclassmen, and grow up.

THE SCRUBBING BRUSH

The influence of a freshman dorm seems to have had a rejuvenating influence on some of the ancient student flivvers on the campus. Or perhaps, judging from past experiences, our watchman is in the class of those worthy Biblical characters who "strain out a gnat and swallow a camel." While the doughty campus guardian has been sifting his fleas, the modern ships of the desert (Detroit, Mich.) have frisked past him. A week or so ago a group of veteran automotive vehicles chose a dark evening to go through some peculiar antics. One even got as far as the front lawn of Hulings. Another, more literary-minded, tried to stand on end in front of the Library. But they have been surpassed. In the wee, sma' hours of Friday morning a lone machine, more aged than any of the campus antiques, galloped across past Old Bentley, limped out on the lawn, and did the roller-coaster act into the ravine, playing hop-scotch with a young tree on the way. Then it got tired, and settled down very firmly. It will probably be painted soon, to match the rhododendrons.

Although it has been the policy of this column in the past to subject the fair occupants of Hulings Hall to the poignant barbs of playfully hurled sarcasms, we have turned about face and have promised to henceforth respect women's rights. Therefore, we commend, rather than reprove, the blushing maidens who brought their sleepy sisters tumbling downstairs in various stages of habilitation, in answer to a false fire alarm. (A real 12 o'clock fire drill would be a charming spectacle.)

By staging a production of *The Campus Mystery* before half of it has come off the press, the girls have

NEW ACTIVITIES GROUP ELECTS THREE JUNIORS

Last Tuesday the charter members of Omicron Epsilon Delta, the newly established national women's honorary activities fraternity, met to discuss plans for next year. At a subsequent meeting held on Thursday afternoon, three women from the present Junior class were elected to membership and suggestions were submitted for the establishment of a permanent point system on which basis new members would be selected from year to year. The three women elected were Ruth Farquhar, Helen Louise Power, and Margaret Sullivan.

BRIDGE CLUB HONORS MISS MEYER AT PARTY

A delightful formal dinner at the Bartlett Hotel, Cambridge Springs, on last Saturday night, brought to a close the regular meetings of the Friday Night Bridge Club, which has met at intervals of two weeks throughout the college year. The members of the club are Adeline Bowie, Beatrice Cotton, Genevieve Cotton, Mona Heil, Mary Dale, Elizabeth Swartz, Mina French, Lois Reid, and Cora Leroy. The party Saturday night was in honor of Miss Erika Meyer, who is leaving Allegheny next year to attend the University of Wisconsin to do graduate work.

WHO HAS NOTICED—

The anxiety on the faces of certain boys in chapel Friday, until the right nominations were made for May Queen?—The two new lights on Arter Hall, lighting up the rear of the Library?—That the inordinate American tendency for law-making has been imparted even to Allegheny College?

The selection of a Queen of the May has become an item of national interest and enthusiasm among college groups. Tomorrow we shall celebrate the second birthday of this event here—let's put it over!

Society

The social season was drawn to a close by the Sigma Alpha Epsilon, Theta Upsilon, and Kappa Alpha Theta Spring Parties on last Friday evening. Only the Wednesday and Saturday night excursions to the Pier remain, although some may try to crash the restricted Algonquin Club dance at the Conneaut on Saturday evening. No more scandal until next year.

Campus Clippings

The members of the Senior class at Franklin and Marshall College have selected Greta Garbo, the Swedish siren of the screen, as their favorite actress. A Greta Garbo club was instituted at that school last year, and its membership greatly increased as a result of the poll this year. Strangely enough, this poll showed a preference of brunettes over blondes.

A professor at McPherson College was recently fined a bar of candy by his students for cutting a class. The professor, so pleased at his students missing him, immediately created a fund at the college book-store for payment of a similar fine if he found occasion to cut in the future.

A law was recently passed at Dickinson College, forbidding the men from going to the girl's dorm for dates before 4 o'clock P. M. Just think of all that perfectly good time to waste and no one to waste it with.

The University of Pittsburgh sets aside one day each spring as taping day. At that time, all of the honoraries of the institution make their selections. The only objection is that there are not enough shoulder pads to have a pair for each hopeful Freshman.

Three students of the Glenville State Normal School are planning to be in on a modern "Gold Rush" this summer. As soon as school is over, they will purchase an old automobile and head for the gold fields of the west to try their hand at prospecting. However, one doesn't have to go further west than Hoboken to practice that art, so they tell us.

Student opinion at both Lehigh University and Penn State show that 87% of the inmates are not in favor of compulsory chapel, as was shown in a recent vote. Seems to me we had a similar vote here once but we still get called to the office for overcutting the same ordeal.

Marquette University recently innovated the idea of night track meets. The Wisconsin Intercollegiate track meet was held under the glare of lights at the University stadium. The success of this plan was watched as keenly as was that of night football last fall. Men are much faster at night, aren't they?

on the evening of Saturday, May 17. Dr. and Mrs. Schultz, and Dr. and Mrs. Church chaperoned. Peck's Bad Boys from Pittsburgh furnished the music. Guests were the Misses Movell, Elmira, N. Y.; Lowers, Oil City; McCauley, Tarentum; Lee, Woosterville; Farrel, Kinzua; Beilel, Munhall; Anderson, Duquesne; Miller, Toronto; Cross, Heberlein, and Carpenter, Erie; Tyler, Delhi, N. Y.; Summerville, Westleyville; and the Messrs. Wagner, Erie; Miller, Erie; Peterson, Jamestown, N. Y.; Hayes, Philadelphia; Henry, Meadville; Shaffer, Jamestown; and Peters of Rimersburg.

KAPPA ALPHA THETA DINNER DANCE

The annual Spring Party of Kappa Alpha Theta was held on Friday evening, May 16, at the Country Club, with "Whitey" Kauffman and his orchestra from Cleveland furnishing the music. ALLIGATORS SUCCUMB TO THEIR FIELD OPPONENTS, GROVE CITY

Blue and Gold Under Dog in Second Consecutive Meet;
Two New Records Established

Failure to gain but 17 points of a possible 63 in the field events caused the Allegheny track team to drop its second consecutive meet, this one to Grove City, last Saturday at Montgomery field. The final score of the meet was Grove City, 71, Allegheny, 64.

Two new field records were established in this meet; the first one by Conner of Grove City, who established a new height in the high jump at 5 ft., 10 1/4 in. The old record was 5 ft., 9 1/2 in., and was held by M. L. Judd, '25. Captain Jack Worrall succeeded in clipping 10 sec. from his former record in the two mile run. He was clocked at 10 min., 8 sec., as compared with 10 min., 18 sec., the new mark which he established in the first meet of the year.

Pusch of Grove City was high individual scorer for the day, competing in 6 events, and garnering three first places and a tie for the fourth. He won the 100-yd. dash, the shot put, and the discus, tied for first place in the 220-yd. dash, and took second place in the hammer throw. The pole vault, his sixth event was at too great a height for him after he had rested from the strenuous race in the 220, so he dropped out after one trial. An injured ankle kept him from competing in either of the jumping events, in both of which he is a regular point-taker.

Bill Boetcker placed in all of the five events in which he was entered to gain 13 1/2 points for Allegheny. The summary of the events is as follows:

100-yd dash—Won by Pusch (G.C.). Boetcker (A), second; Kammer (G.C.) third. Time: 10.5 sec.

220-yd. dash—Tie between Pusch (G.C.) and Boetcker (A); Kammer (G.C.) third. Time: 24.2 sec.

440-yd. run—Won by Bartlebaugh (G.C.); Smith (A), second; Kammer (G.C.) third. Time: 54.1 sec.

880 yd run—Won by Kelley (A); Rocky (A), second; Arnold (G.C.) third. Time: 2 min., 7.2 sec.

1 mile run—Won by Dreifelbis (A); Gill (A), second; Marks (A), third. Time: 4 min., 39 sec.

Two mile run—Won by Worrall

(A); Gill (A), second; Dreifelbis (A), third. Time: 10 min., 8 sec.

120-yd high hurdles—Won by Conn (A); Reeves (G.C.), second; McClosky (G.C.), third.

220-yd. low hurdles—Won by Conn (A); Reeves (G.C.), second; Boetcker (A), third.

Shot put—Won by Pusch (G.C.); Sofish (G.C.), second; McManus (A), third. Distance: 39 ft., 10 1/2 in.

Discus—Won by Pusch (G.C.). Huston (G.C.), second; March (A), third. Distance: 118 ft.

Pole vault—Tie between Graham (G.C.) and Poole (A); Simmons (A), third. Height: 10 ft., 6 in.

High jump—Won by Conner (G.C.); Lawry (A), second; Ewalt (G.C.), third. Height: 5 ft., 10 1/4 in.

Javelin—Won by Gregory (G.C.); Sofish (G.C.), second; Showers and Boetcker (A), third. Distance: 171 ft.

Hammer—Won by McCloskey (G.C.); Pusch (G.C.), second; March (A), third. Distance: 141 ft., 6 in.

Broad jump—Won by Boetcker (A); Bartlebaugh (G.C.), second; Thomas (G.C.), third. Distance: 20 ft., 1 in.

The University of Oklahoma has a curfew law; any student under eighteen years of age is liable to arrest if found on the streets after nine o'clock. They should get lots of sleep, at least, by going to bed with the chickens and getting up with the rest of the students.

GRADUATE TO PUBLISH FRATERNITY HISTORY

Mr. Edwin L. Mattern, class of '90, has spent the last year or more in writing a history of Pi Chapter of Phi Gamma Delta. Naturally, the history contains a great deal of Allegheny's history since 1860. There are a number of interesting pictures of events in the history of the college. The book

has gone to press and will appear on the campus before commencement time. It is the most complete history that has ever been written concerning any chapter of any fraternity, and the book should be of great interest to the college as a whole because of the college life which is included. Mr. Mattern is to be highly commended for his attempt to preserve the history of Allegheny and Pi Chapter of Phi Gamma Delta.
