

NATIONAL TUBE COMPANY.

PITTSBURGH, PA.

FRICK BUILDING

December 7, 1912.

WM. B. SCHILLER,
PRESIDENT.

Dear Mr. Glose:-

Complying with your request of November 21st, I hand you herewith a list embracing the executive officers of this Company, as well as the more important officers in the general offices, giving the present title of each individual and the positions they first filled when starting to work, and the same information respecting the organization at our National Works, McKeesport.

I making up the list we have taken the organization in the general offices, as well as at the National Works, as it exists and have not selected individual cases.

Trusting that this information is in the shape you want it, I am.

Yours very truly,

W. B. Schiller
President.

Mr. C. L. Glose,
c/o U. S. Steel Corporation,
New York, N. Y.
