DEPARTMENT OF DEBATING AND PUBLIC DISCUSSION
OFFICE OF THE DIRECTOR

Miss Ida M. Tarbell
R. F. D. 3
Twin Oaks
Bethel, Connecticut

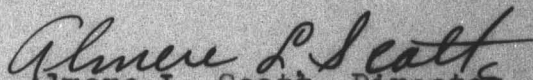

My dear Miss Tarbell:

Thank you so much for your splendid co-
operation in our efforts to improve the type
of selection used in our high schools.

Although from your last letter I infer that
you did not deem it necessary to send a copy
of the selection cut as we are planning to mimeo-
graph it, I felt that perhaps you would like to
look the selection over before it is mimeographed.

If we do not hear from you within a week we
shall infer that you approve of the cutting and
shall mimeograph it.

Very truly yours,

Almere L. Scott, Director

Dept. Debating and Public Discussion
