Spokane Conservatory of Music,

PROF. F. MUELLER, DIRECTOR.

Spokane, Washington, Feb. 13th 1896,

Dear Miss Tarbell:

I was so moved by the large meeting in our magnificent Auditorium Theatre by the proceedings of the meeting in honor of Lincoln's birth-day anniversary last evening that I could not refrain from sending you the enclosed reminiscences.

I can vouch for the truth of them. I refer you to one of Blountington's oldest citizens, if he is yet alive, he must have some recollection of L. His name is, Abraham Brokaw and he had a plow factory in the corner of Main and Market Sts. The Hon. A. E. Stevenson ought also to furnish you with some reminiscences. Perhaps judges Thos. F. Tipton and Owen T. Reeves. also Dr. Harvey C. De Motte.

Yours Sincerely,
Franz Mueller
