

Geneva

The syndicates are fully at work in Geneva -
 among the most important activities - sleep
 walking & the Port - organized & in conference
 often 12 number of streets representing -
 the public adjusted - to a period of acceptance
 more better conditions possibly advance -
 merit - organized meeting but what dif-
 ferences may arise case not be seen -
 good will & good sense - Character & in-
 telligence must in the end decide in
 affairs of state & industry - Geneva has
 in the past put one labor organization
 which is a glowing example - the oldest
 labor organization in the world currently
 in operation with no record of strike &
 where end is its dignity & good name
 the character of its service - the honesty
 & sincerity of its members - ~~unique~~
 The Caravan Company - Compagnie des Caravans

 by the Caravan is set in clear - and
 duty is clear - Geneva has swept by children
 in the early part of the 19th century - there
 women led in the east - & there was

none to bury him - none to aid the
 slaver - The story of the phyl - came
 Bergam on the mountain & a caravan
 of strong men came to the city - soled

named after - I - Hall's little and
 passed with the story of a lady
 husband & religion - you see the
 faded remnant of today -

Here in this beautiful & protected-
 place the Bergamere only were ad-
 mitted - Proud of their heart - the
 big men both with profound know-
 ledge the owner & the confidence
 given to them & for 13 or
 14 years they have preserved their tradition
 no man not born in B. could

become a member of the company
 & they are of women who would
 not let their name to B. to bear

soon that they might in time in-
 crease their stature place! - until 1848

the B. had the marriage then
 a municipal order passed that the
 law was not in force. J. B. over the
 whole have the measure

Character - simple - pure - honest all the
 Canadian air - & he's a Canadian
 man in & an honest man I see
 Company provides drastically any
 of their number who ~~show~~ privilege
 their ruler -
 Now delight to know the country
 you see him in all great possession
 - disputed by a people corruption
 a semit-pleated blue shirt-sleeve
 than that of the Hyde under net
 on 18 ins I should say horn
 over the indian horns of undy
 the .. coat -

Then splendid old bond house has been
 made in later years by means of business
 the old Bond house parted away
 It was long open daily the R. of G. - it
 & still has been net the the the the

 old judge & surely live along with the little
 one still - a rule of the C. is that no
 man can put a soldier can enter de-
 mure. The law has not been rescinded
 & it with the authority of the U.S. to pass
 one with the state - ~~change~~ if needed - with
 perfect certainty & was regarded with
 surprise -

And all of this is to say
 England. There is no more of the Canada
 as a new state - they want calmly
 through the period of gradual adjustment
 agitation - following the new - outside
 of it - devoted to their heart - but -
 they're still present now - the point
 of order and discipline is
 the need of their time. The problem is
 on the side of their business work
 beside that of some of Canada who
 have gone out to develop themselves
 in the field - as a whole - a small
 a larger big business men.

 seen a more generous ^{use of the}

permit - salute -

What effect - such a busy -

on summer labor I cannot say

It is certainly their property a different

in air - the car - is concerned with

character - the labor with us

It does seem as if there should be

a way found to permit better
