My dear Miss Tarbell:

Thank you for your letter. Although I see no reason at all why the Cosmopolitan should want my photograph, I am sending them the best I have and I am asking Mr. Director to do the same.

I have just been reading John T. Flynn's "Life of Rockefeller" and it brought me back to the days when as a boy I was reading your very able "History of the Standard Oil Company" as it appeared in installments. I hope sometime that I may have the pleasure of meeting you personally.

With all best wishes,

Very truly yours,

Paul H. Douglas
