My dear Miss Tarbell:

I am delighted with your article and hastened it with all speed to the N.E.A. Service. As soon as they let me know the date of publication, I shall send the news on to you.

Unconsciously, you taught me a very important lesson when you stated that if your name appeared on a committee you expected to do some work. I know I shall always remember that.

Loyally yours,

Louise Franklin Baehre
