Mrs Ida Tarbell

Dear Madam:

I presume
the messenger delivered my
Vicksburg Material to you safely -
Friday afternoon -

It would greatly gratify me
to hear from you re: the same
~~and~~ if any of it will prove available -

I send this line to state
I have a picture of General
Pemberton's Head Quarters, ^{the Sarge,} during A
that came to light since sending
you the others - He put up at
C. S. Manlover Residence, on Cherry
Street, Vicksburg

Did you compare my Lincoln
Photo with your collection
of his heads? I am curious
to know if it is the counterpart
of any one of them?

Truly Yours
