Mr. Schuyler Van Ness,
The Dennison Manufacturing Co.,
Framingham, Mass.

My dear Mr. Van Ness:

I have just received your letter of the 14th in regard to Mr. Adams as a possible illustrator for the Brunswick book. If I were not going out of town I should try to get in touch with Mr. Adams myself and get copies of some of the things that he has done. I think if you would write him at The Players' Club, 16 Gramercy Park, New York City, tell him what you have in mind and that you would like to see some of his sketches, that you would hear from him promptly.

If, after you see his work, you think that you could go ahead with him and would like to have me talk with him, I should of course be glad to do so. And if for any reason you don't feel that he is just what you want, I will make some further inquiries. He may be a little too special for your purpose. He stands very high, however, among illustrators.

Very truly yours,
